The Department for International Trade's Internationalisation Fund (funded by the European Regional Development Fund) is available for eligible Yorkshire and the Humber businesses.

Match-funded grants of between £1,000 and £9,000 are being given for future activity.

What can the grant be used for?

- » Market research
- » IP advice
- » Translation services
- » International social media/SEO
- » Trade fairs
- » Independent market visits
- » Consultancy and other international commercial services

Is your business eligible?

- » The company must be a small or medium-sized enterprise with up to 250 employees
- » No more than 25% of the business is owned by an enterprise which is not a SME
- » Annual turnover does not exceed €50 million or annual balance sheet does not exceed €43 million
