DN7 – Hatfield Link Road Project

Welcome to our 3rd
edition of the DN7
Project Newsletter

December 2019 -
January 2020

View from the top of the slip road
looking down on to the Balfour
Beatty site offices.

The Balfour Beatty team would like to
extend our thanks to all the local
residents and businesses for their ongoing
co-operation and understanding
throughout the course of the project.

Welcome to our 4th
edition of the DN7
Project Newsletter

February 2020 –
March 2020

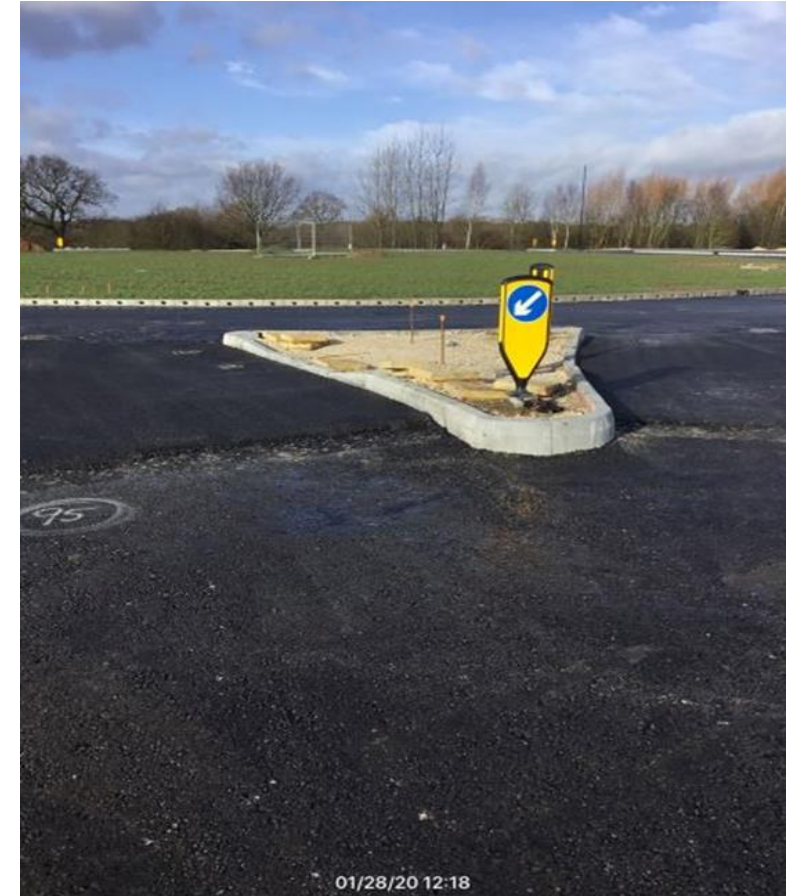

Below is a picture of the
entrance in to our DN7 Balfour
Beatty site offices.

The Balfour Beatty team would like
to extend our thanks to all the local
residents and businesses for their
ongoing co-operation and
understanding throughout the
course of the project.

Progress Updates

New roundabout coming along nicely
at the Moto services

Progress Updates

Concrete footing for retaining wall
structure over at the colliery

The Health & wellbeing of all our Balfour Beatty staff and Sub-contractors is paramount on any project.

Health & Wellbeing

Magdalena Matthews from the NHS came to give a Mental Health Awareness talk to all the site team

Kelly and Dec from our site team erecting
fencing and making some improvements
to the Farm at Coppice Hill Special Needs
School at Hatfield.

The site team below enjoying
Christmas dinner at Coppice Hill
School.

dress visiting Doncaster Royal Infirmary
Children's ward where we donated
Christmas presents for the children

Doncaster Council

Doncaster's very own dedicated Children's ambulance – Karen & Pete here donating unwanted clothes & bric-a-brac to the newly opened charity warehouse “The Hanger” in Doncaster, all the proceeds going to keep the 2 helicopters flying.

This is the career fair at Campsmount Academy in Doncaster which we attended. Careers advice was given to Year 7's right through to sixth form who attended all throughout the day.

Fortnightly drop in session

Here at DN7 we want to keep the community engaged so we are holding drop in sessions every first and third Monday of the month (except Bank Holidays) between 12.30pm and 1.30pm at our site office. If anyone has questions or queries regarding the project you are more than welcome to come along.

The site office is located at the M18 Junction 5
MOTO Services slip road DN8 5GS.

Safety of the highest importance

Balfour Beatty operates a Zero Harm Health and Safety policy. The focus of this is to highlight the responsibility each employee has for working safely whenever and wherever we are involved in activities for the company.

In 2008 ambitious targets were set to push the boundaries of performance in Health and Safety. Since then we have made significant progress.

Many of our activities around the world are being delivered accident and incident free, Zero Harm is still our aim.

ZERO HARM
MAKE SAFETY PERSONAL

Considerate Constructors Scheme

The Project has voluntarily registered under the CCS, meaning that along with our supply chain, we will agree to abide by the Code of Considerate Best Practice beyond statutory requirements
