

The UK's most advanced multimodal
logistics park

A lot to unpack

From bespoke mega-warehouses on an accelerated programme, to speculative units for immediate occupation, iPort is built for the demands of the modern supply chain.

Our market-leading space is designed to be durable, efficient and future-proofed. Connectivity is impressive. And with 52+ MVA on-tap, we have the power you need today, and tomorrow. No wonder so many occupiers have chosen not just to join us, but to take more space as they've grown.

91% of the UK living within 4 hours

At the heart of the UK

91% of the UK living within 4 hours

iPort is an outstanding logistics location at the heart of the UK's road and rail networks. 91% of the UK can be reached within a four-hour drive.

Rail freight terminal on site

iPort Rail is our award-winning multimodal facility, offering rail freight services from container port to warehouse door that help reduce carbon emissions.

800,000+ people within 30 minutes

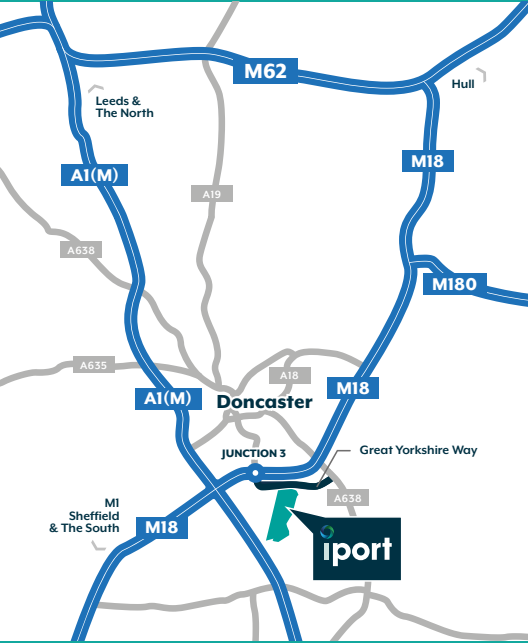

Doncaster has a growing population, with 800,000+ people living within 30 minutes of iPort.

Local employment opportunities

We have a strong local workforce and support from the iPort Academy to connect businesses with new team members.

On-site rail freight terminal

iPort Rail offers sustainable logistics solutions with connections to regional, national and international supply chains.

Now operated by MSC-subsiary MEDLOG, it offers:

- State-of-the-art terminal
- 24/7 operations
- Capacity for the UK's longest trains
- Connections with UK deep sea ports and Channel Tunnel routes
- Support from port of entry to warehouse door
- On-site customs clearance offering an alternative to sea port border controls
- External Temporary Storage Facility (ETSF) approved and inventory-linked
- Authorised Economic Operator (AEO) status

Our experienced team works closely with iPort customers, from strategic advice to practical support, focussed decarbonising supply chains and the rapid movement of goods.

Greener logistics

All our buildings are being developed to high standards of sustainability, with a focus on energy and resource efficiency.

We work with market-leading delivery partners and use high quality materials to deliver durable facilities with reduced environmental impact.

Green power

All warehouse roofs are designed and prepared for the installation of solar panels to support green energy generation.

Greener transport

- EV charging points installed across all new buildings
- New bus link connecting the iPort with the city centre
- Established cycle routes to/from the site with cycle parking for each building
- State-of-the-art on-site rail freight terminal

Landscaped surroundings

400 acres of designated green space and nature reserve created for public use and given over to the Yorkshire Wildlife Trust.

Local employment

We co-fund the iPort Academy, which offers training and connects local jobseekers with businesses relocating or growing here.

Community support

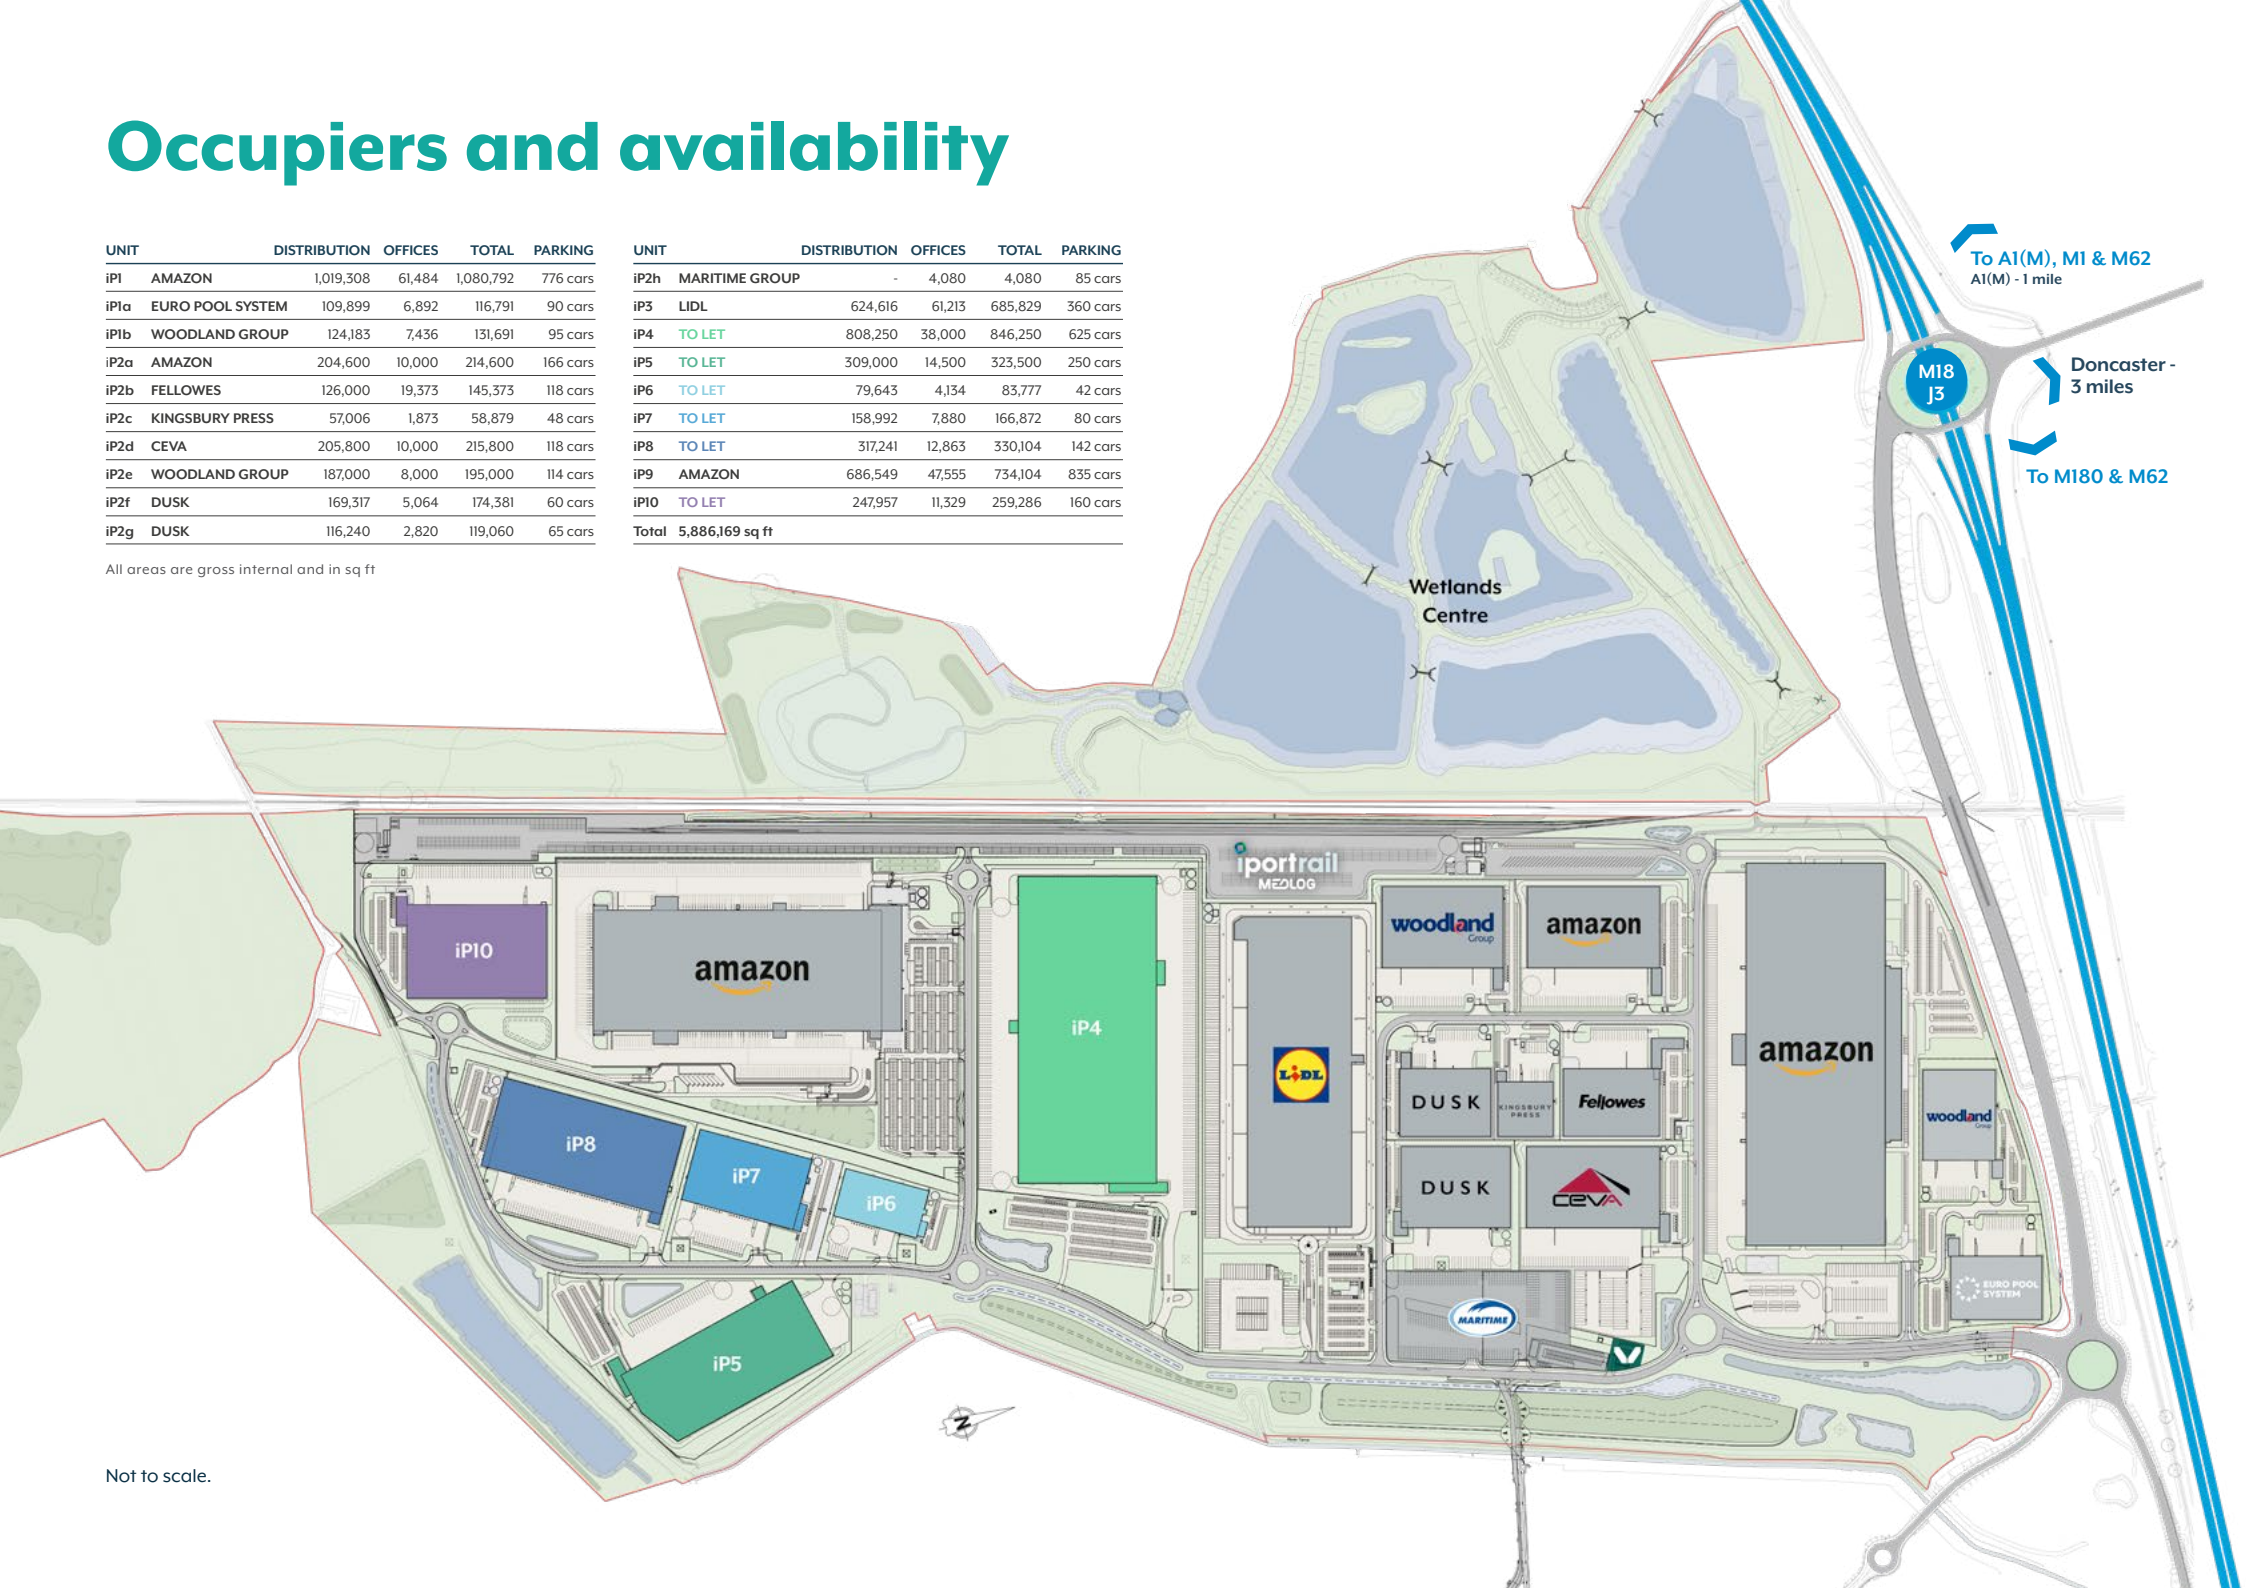

Continuing support for the local community – from neonatal care and computers for schools to sponsoring Rossington FC and the Rossington Festival.
