Introduction to Advance

- Advance is funded through European Social Fund (ESF) and is a programme designed to help people in Doncaster to ‘thrive in their chosen career’.
- We are based within the Business Doncaster team at Doncaster Council and work with indigenous businesses across Doncaster and those looking to invest.
- We offer bespoke service for businesses to support with their recruitment and the upskilling of staff helping the business to thrive.
- Advance is also now across the rest of the SYMCA.

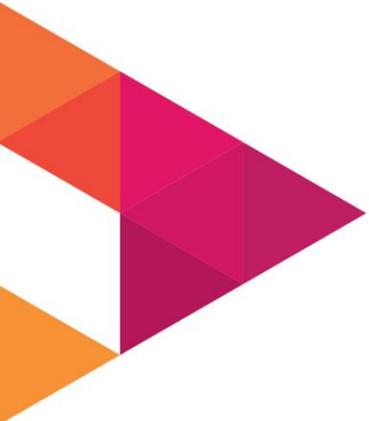

Advance Doncaster is a Doncaster Council service dedicated to providing businesses with tailored recruitment and skills support, we offer:

- Our dedicated team are working with local people and are on hand to help you with your recruitment and skills needs.
- Recruiting and attracting new talent - From FREE advertisement of the vacancies right the way through to their first day.
- Training and skills development for staff – FREE training needs analysis to take these needs forward.

Advance Doncaster is a Doncaster Council service dedicated to providing businesses with tailored recruitment and skills support, we offer:

- Apprenticeship advancement – Support in recruitment of apprentices and progression of existing staff using possible funding available
- Employer Work Academies – bespoke business information sessions to sift for the right person to the right job
- Promotion of your careers within our sector prospectuses – Allowing potential, current and future applicants to view the hidden roles and career opportunities within your business
